INTRODUCTION

About This Portion of the Manual

This section of the manual describes the use of version 4.0 of the microcomputer based data entry system for the Trip Interview Program (TIP). Background information about TIP can be found in:

**OPERATIONS MANUAL FOR
TRIP INTERVIEW PROGRAM IN THE
STATE/FEDERAL COOPERATIVE STATISTICS PROGRAM**
by James R. Zweifel

Instructions for filling out the data entry form and data collection can be found in **Part I - Data Collection and Reporting Form Procedures**, of this manual.
