

SEDAR8.2 Southeastern United States Spiny Lobster Workshop Document List

Document #	Title	Authors
Documents Reviewed at the Data Workshop		
SEDAR8.2-DW1	Commercial Spiny Lobster Fishery, 1897-2003	
SEDAR8.2-DW2	Additional Commercial Trip Information	
SEDAR8.2-DW3	Commercial spiny lobster sampling: The Trip Interview Program (TIP)	
SEDAR8.2-DW4	FWC Fishery Observer Program: Spiny Lobster	
SEDAR8.2-DW5	Fishing effort estimation for the Caribbean spiny lobster	
SEDAR8.2-DW6	Estimating the number of lobsters used for bait	
SEDAR8.2-DW7	Area based abundance surveys	
SEDAR8.2-DW8	Potential Tuning Indices	
SEDAR8.2-DW9	Juvenile lobster data, Nursery habitat data, and pre-recruit modeling for the Florida Keys.	
SEDAR8.2-DW10	Distribution and abundance of spiny lobster in the KWNWR and GWHNWR: Impacts of an intense recreational fishery	
SEDAR8.2-DW11	Long-term <i>Panulirus argus</i> Puerulus Influx Monitoring in the Florida Key	
SEDAR8.2-DW12	FWC Lobster Monitoring using Timed Surveys	
SEDAR8.2-DW13	Life History of the Caribbean Spiny Lobster	
SEDAR8.2-DW14	Age and Growth of the spiny lobster	
SEDAR8.2-DW15	Spiny lobster growth based on tagging	
SEDAR8.2-DW16	Lipofuscin based age analysis of the spiny lobster	
SEDAR8.2-DW17	Additional growth information	
SEDAR8.2-DW18	Comparison of tagging and lipofuscin growth parameters	
SEDAR8.2-DW19	Florida Recreational Spiny Lobster Fishery	
SEDAR8.2-DW20	Recreational sport season creel interviews, Biscayne National Park	
SEDAR8.2-DW21	University of Florida Sea Grant Lobster Observer Survey 1974-1975 Lower Florida Keys	
SEDAR8.2-DW22	University of Florida Sea Grant Lobster Tag-Recapture Program 1975-1976 Lower Florida Keys	
SEDAR8.2-DW23	Size frequency 78/79	
SEDAR8.2-DW24	Looe Key spiny lobster population dynamics project	
SEDAR8.2-DW25	Florida Keys National Marine Sanctuary Sentinel lobster fisheries project
