

Erratum:

There is an error in Equation 4 of Carlson (2009) "Revised Estimation of Observer Coverage Required in the Reef Fish Bottom Longline Fishery based on Interactions with Sea Turtles"- SFD Contribution PCB-09-20.

Equation 4 should be written as:
$$n = \frac{N / (p_i * (1 - p_i) + CV^2 * N * p_i^2)}{(p_i * (1 - p_i))}$$

This error does not affect the analysis or results of Carlson (2009).
